The New Fall Suits, Dresses, Blouses

With welcome brevity come to our Third Floor new suits and other garments of outerwear for women, that define with satisfactory clarity and assurance the styles that will be in vogue among smartly dressed women, showing as really in traveling now.

Suits Feature Lovely Materials and Accent Smart Lines

Rich appearing fabrics hold their sway—satin, marcella, direct dye, ray, dye and fine-creped flannel, grouped favor. The coat of lengthened line shows a foremost position, with the regulation tailored and knee crease, close-fitting. Some stress trimmings of sequined, black fox mink and nutria fur. Colors include Malay, Decembre, marabou, navy and black.

—30.50 to 169.50

Cloth Dresses In Simple Modes

Beautiful tricotines, potot twills and serge—simple in line, yet not contradictory in their more or less elaborate embroidery, in self-colors or contrasting richly. Many show the tubular sleeves and are promptly admired. Then, too are the serge-and-crepe combinations in every way effective.

—19.95 to 295.00

New Blouses Have Sleeves Long or Short

Do as you please in blouse sleeves long or short, as you may choose, in crepe—as shown by these new crepe de chine and georgettes. The one and two-thirds with tiny tucks or beaded. Some with high necks, in rust, navy, fawn and other shades.

—8.95 to 25.00

New Autumn Dresses for Misses

The Miss going away to school will find among this collection of new autumn dresses many first choices in chic types—tricotines, potot twills and satins in carefully chosen styles.

Waistlines are long and short sleeves flared. The satins show the effective use of beading and have touches of hand-embroidery. The cloth numbers display considerable braid. Sizes 14 and 16.

MORE and more as women become acquainted with this store and its service, they grow reliant upon the uniform dependability of our goods, knowing from past experience and current comparison the fairness of our prices.

It follows that our advertisements become, to a large extent, their buying guide for the numerous lines we carry. Our policy of stating fully, and with all possible accuracy, complete details of the goods offered to guide you in your consideration of their style, desirability and worth to you, together with the elimination of competitive prices, thus preventing any tendency toward over-statement of values or errors in judgment of values, to creep in—all this warrants the reliance in our advertisements placed in it by the public.

New Silks Have the Call

Regardless of the weather, women are directing their attention to the new styles and materials for autumn. Silks will continue to maintain their pre-eminence in the esteem of particular women who appreciate the practicality and adaptability of the various weaves. Among the new arrivals we are showing, we mention a few here.

New Golf Crepe and Chinchilla Satin

Their surfaces suggesting various degrees of ruggedness and durability, these new silks for fall and winter find instant favor—mountain crepe with golf crepes and chinchilla satin. Extra heavy in weight with rich, pebbly facing and satin finish, they are the correct things for developing into handsome suits, dresses and skirts. A wide color selection, 49 inches wide.

Time for New Draperies

Contemplating the months ahead, when so much more time is spent within doors than other times of the year, autumn and winter with their rounds of pleasure and entertaining, one naturally thinks of the appearance of the home.

Considering everything, do the curtains and draperies require re-draping?

Then give the matter early attention and careful consideration, rather than to wait until later when you will want to be enjoying the autumn days out of doors.

We are showing lovely materials for beautiful draperies in an excellent variety of weaves, patterns and colorings. And not the least of their attractions are at their best at this time when stocks are complete and a variety of unbroken.

Luggage for Those Going Away to School

Young men and women soon to leave for northern and eastern colleges and universities should be getting their preparations under way. Among the first things to receive consideration are the various traveling necessities, which should be of good enough to be an investment rather than an ordinary purchase. They should be of durable construction that will stand rough handling, lock and forth from school year after year, and for years to come. This specialty applies to choosing a wardrobe trunk.

Certainly You'll Need a Good Wardrobe Trunk

Indestructo, Oskosh, N. V. P. and Belber

These, we believe, are the most desirable and dependable makes of wardrobe trunks on the market, and we carry them in full, three-quarter and steamer sizes for men and women, equipped with the most modern conveniences. Many are making selections now, while stocks are more complete. Our prices on these excellent trunks are quite reasonable.

Suit Cases, Grips, Fitted Cases, Hand Bags

Practically any article in hand luggage you'd want, from a Boston bag to a Gladstone—overnite bags, traveling cases fitted with large or small sets of fine toiletries, suit cases and hand bags in large variety at prices to suit almost any desired outlay. Choose early.

Steamer Trunk—Each—15.75

A splendid steamer trunk for all around use; good durable box and hard fiber construction; extra tray; double draw-holders and extra hard fiber center good value for this nominal price; 36 inches long, a mighty price.

Leather Suit Cases Splendid at 13.75

A genuine, chocolate colored cowhide leather suit case, sewed on frame, extra straps, leather lining and shirt folds; all sewed corners and reinforcements. A case that should give very good satisfaction.

Leather Hand Bag Special—10.95
